The Department of Chemistry invites applications and nominations for the position of Department Head at the University of Illinois at Urbana-Champaign with appointment as a Full Professor. The Head leads a world class department with established undergraduate and graduate programs, active research programs, and strong engagement across the university and among alumni and donors. Candidates must have qualifications appropriate to appointment with tenure, including a PhD in chemistry or an allied discipline. Candidates will be expected to establish or already have a high-quality, externally funded research program in one of the major areas of chemistry including analytical, chemical biology, environmental, inorganic, materials, organic, physical, and theoretical, and have a commitment to outstanding graduate and undergraduate teaching. Clear evidence of excellence in research and teaching, and demonstrated evidence of leadership in chemistry at the international level are required.

Create and submit your U of I application through http://jobs.illinois.edu and upload your letter of interest, current curriculum vitae, names and contact information for three professional references. The School of Chemical Sciences will then send you an email (within 2 days) with further instructions about the application process.

To ensure full consideration, all application material must be received by February 28, 2013. Applicants may be interviewed before the closing date; however, no hiring decision will be made until after that date.

This is a full time nine-month position with summer support. Salary is negotiable, and the target start date is August 16, 2013.

Nominations and questions may be sent to scs_apply@scs.uiuc.edu (217.333.5070). For information about the Department of Chemistry, visit our web page at http://www.chemistry.illinois.edu/
