

It's time to join the

Division of the History of Chemistry

and here are the reasons ...

As a member of the Division of the History of Chemistry of the American Chemical Society

HIST provides

- Activities at national meetings (symposia, open technical discussions, award luncheons and dinners) that allow you to meet colleagues, exchange ideas, initiate collaborations, meet the Editor of the *Bulletin for the History of Chemistry*
- Opportunities to submit papers and participate in discussions
- Opportunities to associate with chemists and historians around the world interested in the history of chemistry and related topics
- Opportunities to be a member of the HIST leadership team, participate in various HIST committees, (for example, be a member of an award's selection committee)

Awards - Recognize Individuals and Achievements of Historical Significance

- The HIST Award for Outstanding Achievement in History of Chemistry (presented at the Fall ACS meeting)
- Citations for Chemical Breakthroughs (awarded annually for seminal publications, patents and books)
- Outstanding Paper Award (awarded annually for papers published in the *Bulletin for the History of Chemistry*)

As a member you will:

1 Receive Publications

- The *Bulletin for the History of Chemistry* (contains full articles, announcements, notes, editorial commentary)
- HIST Abstracts of ACS national meetings
- *Divisional Newsletter*

2 Take advantage of Discounts

- 40% discount on any ACS publication produced by HIST
- 40% discount on ACS-Chemical Heritage Foundation *History of Modern Chemical Sciences Series*
- Discount on ACS national meeting abstracts

3 Be part of the HIST subdivision of Archaeological Chemistry

All this for annual dues of:

- \$20 for ACS members (North America)
- \$30 for ACS members (outside North America)
- \$25 for non-ACS members (North America)
- \$35 for non-ACS members (outside North America)

your personal copies of the Bulletin are worth more than that!
